Secretary's Report

On September 5, 2018 we had 268 active members. Three expire Dec 31, 2020 and the rest expire Dec 31, 2018.

<u>Membership Type</u>	<u>Count</u>
Full	123
Affiliate	132
Student	13
Total	268

An additional 80 people have applied and been approved for membership but have not yet paid.

A new membership profile has been loaded into the APHEO website. The new profile has more required fields and drop down menus to make it easier to process new registrations. All existing members are asked to log into their membership profile and update their information. All fields must be updated including any drop down menus that appear to be pre-populated.

If a member qualifies for full membership but would prefer to be an affiliate member, he/she can select the affiliate option on their membership profile (bottom of the page). If a member qualifies for full membership but their workplace will only pay for an affiliate membership, he/she can make arrangements with the treasurer to have the full membership fee split into two invoices. One invoice for \$50 to his/her workplace and one invoice for \$30 to him/herself.
